Dear [Participant Name]:

Thank you for agreeing to participate in the Temporomandibular Disorders (TMD)/Temporomandibular Joint Disorders (TMJ) focus group sponsored by the National Institute of Dental and Craniofacial Research, part of the National Institutes of Health (NIH).

Your focus group is scheduled for Month Day, 2020 at x:xx a.m./p.m. Time Zone. The discussion will last approximately 60 minutes.

Before we meet, we invite you to read the enclosed Temporomandibular Disorders brochure. We will be interested in your first impressions of the brochure (including the design and illustrations). To help you remember what those impressions were, we encourage you to write your comments and questions right on the draft brochure and to circle any words that are confusing or difficult to understand.

Many of the questions during the focus group discussion will refer to specific pages or sections in the brochure, so please have the brochure with you during the focus group discussion.

Thank you for reviewing the brochure in advance of the focus group. We look forward to hearing your valuable feedback.

Should you have any questions, please contact phone number of recruitment firm.
