Request for Approval under the "Generic Clearance for the Collection of Routine Customer Feedback" (OMB#: 0925-0648 Exp., date: 05/2021)

TITLE OF INFORMATION COLLECTION: Alcohol Research: Current Reviews (an NIAAA Publication) Audience Survey

PURPOSE:

The primary research question driving this effort is to understand:

• Who are the audiences for *Alcohol Research: Current Reviews (ARCR)*, a peer-reviewed scientific review journal that is published by NIAAA?

The goals of the audience analysis are to:

- Understand the type of audiences currently utilizing NIAAA-*ARCR* resources.
- Determine the types and formats of information/topics and communication channels that would best serve NIAAA-*ARCR* audiences.

DESCRIPTION OF RESPONDENTS:

The survey will be promoted through online and social media channels, with the intent of reaching audiences that subscribe, visit, or follow one of the following platforms: NIAAA-ARCR GovDelivery subscription list and Twitter: @NIAAANews.

The survey will ask respondents to select one of the following categories that best describes themselves: 1) student (undergraduate, postbaccalaureate, or graduate); 2) scientist/researcher (postdoctoral fellow, early career investigator in academia, established investigator in academia, scientist/researcher in industry or government, or scientist/researcher in other sector, as specified); 3) educator (K-12 or undergraduate); 4) healthcare provider (e.g., physician, nurse, pharmacist, medical administrator); 5) public health professional (e.g., health communicator, patient advocate); 6) professional society stakeholder; 7) librarian/information specialist; 8) media professional; 9) member of the general public; or 10) other self-reported option.

CERTIFICATION:

I certify the following to be true:

TYPE OF COLLECTION: (Check one)

- 1. The collection is voluntary.
- 2. The collection is low-burden for respondents and low-cost for the Federal Government.
- 3. The collection is non-controversial and does <u>not</u> raise issues of concern to other federal agencies.
- 4. The results are <u>not</u> intended to be disseminated to the public.
- 5. Information gathered will not be used for the purpose of <u>substantially</u> informing <u>influential</u> policy decisions.
- 6. The collection is targeted to the solicitation of opinions from respondents who have experience with the program or may have experience with the program in the future.

Name: Pamela Wernett, Ph.D., PMP

To assist review, please provide answers to the following question:

Personally Identifiable Information:

- 1. Is personally identifiable information (PII) collected? [] Yes [X] No
- 2. If Yes, is the information that will be collected included in records that are subject to the Privacy Act of 1974? [] Yes [] No
- 3. If Applicable, has a System or Records Notice been published? [] Yes [] No

Gifts or Payments:

Is an incentive (e.g., money or reimbursement of expenses, token of appreciation) provided to participants? [] Yes [X] No

ESTIMATED BURDEN HOURS and COSTS

Category of Respondent	No. of Respondents	No. of Responses per Respondent	Time per Response (in hours)	Total Burden Hours
Individuals	4000	1	3/60	200
Totals		4000		200

Category of Respondent	Total Burden	Hourly Wage Rate*	Total Burden
	Hours		Cost
Individuals	200	\$25.72	\$5,144
Totals			\$5,144

^{*}The General Public wage rate was obtained from https://www.bls.gov/oes/current/oes_nat.htm

FEDERAL COST: The estimated annual cost to the Federal government is \$4,521.

			% of	Fringe (if applicable)	Total Cost to Gov't
Staff	Grade/Step	Salary*	Effort		
Federal Oversight

If you are conducting a focus group, survey, or plan to employ statistical methods, please provide answers to the following questions:

The selection of your targeted respondents

1.	Do you have a customer list or something similar that defines the universe of pot	tential
	respondents and do you have a sampling plan for selecting from this universe?	
	[X] Yes []] No

If the answer is yes, please provide a description of both below (or attach the sampling plan)? If the answer is no, please provide a description of how you plan to identify your potential group of respondents and how you will select them?

The survey will be promoted through online and social media channels, with the intent of reaching audiences that subscribe, visit, or follow one of the following platforms: NIAAA-ARCR GovDelivery subscription list and Twitter: @NIAAANews.

The survey will ask respondents to select one of the following categories that best describes themselves: 1) student (undergraduate, postbaccalaureate, or graduate); 2) scientist/researcher (postdoctoral fellow, early career investigator in academia, established investigator in academia, scientist/researcher in industry or government, or scientist/researcher in other sector, as specified); 3) educator (K-12 or undergraduate); 4) healthcare provider (e.g., physician, nurse, pharmacist, medical administrator); 5) public health professional (e.g., health communicator, patient advocate); 6) professional society stakeholder; 7) librarian/information specialist; 8) media professional; 9) member of the general public; or 10) other self-reported option.

Administration of the Instrument

1.	How will you collect the information? (Check all that apply)
	[X] Web-based or other forms of Social Media
	[] Telephone
	[] In-person
	[] Mail
	[] Other, Explain
2.	Will interviewers or facilitators be used? [] Yes [X] No

Please make sure that all instruments, instructions, and scripts are submitted with the request.
