#### Introduction

Thank you for taking the NIAID Vaccine Research Center (VRC) Workplace Survey. The purpose for the survey is to allow the NIH Civil Program to gather information related to the work environment. The Civil Program will use the information to identify areas of concern for staff members and guide further inquiry, if necessary.

The survey should take about 10 minutes to complete and your responses will be anonymous. Responses will be aggregated, and summary data will be shared with the NIH Civil Program. If you encounter technical difficulties with the survey, please submit an HR help desk ticket at https://nihohrweb.nih.gov:1010/WiTS\_IntraHR/WiTSHome.aspx
