OMB Fast Track Feedback - Summer Internship Program Feedback

NIH Office of Intramural Training & Education

OMB Number: 0925-0648 Expiration Date: 31 May 2021

Welcome to the Summer Internship Program feedback survey! We will ask questions about your summer experience, the application process, and your goals for the future. Your responses will be used to improve the application process and the Summer Internship Program experience at the NIH. The survey should take approximately 20 minutes to complete. All data will be reported in the aggregate, e.g., 37% of respondents were 23 years of age. Thank you for your assistance.

Survey Tips:

- * indicates a required field for submission.
- Use the [next] / [previous] buttons to access different pages of this survey.
- Use the scroll bar to the right to advance to questions on the same page of this survey.

~~~~~~

Public reporting burden for this collection of information is estimated to average 20-minutes per submission. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974,ATTN: PRA 0925-0648. Do not return the completed form to this address.

Collection of this information is authorized by The Public Health Service Act, Section 410 (42 USC 285). Rights of participants are protected by The Privacy Act of 1974. Participation is voluntary, and there are no penalties for not participating or withdrawing from the study at any time. The information collected in this study will be kept private to the extent provided by law. Names and other identifiers will not appear in any report of the study. Information provided will be combined for all participants and reported as summaries.

## Research Group Environment

| 21. Indicate your level of agreement with the following statements about your research group | o environment. |
|----------------------------------------------------------------------------------------------|----------------|
|----------------------------------------------------------------------------------------------|----------------|

| Agree Agree Neutral Disagree Applicable My research group has an open, collegial atmosphere.  I find my work to be varied, interesting, and challenging.  All members of the research group are encouraged to be actively involved.  Research group members are respectful and supportive of each other.  I am able to work well with other members of the group.  I feel comfortable expressing my ideas in group meetings.  My PI and research group maintain order and organization.  My work site is safe; NIH safety procedures are followed.  I have enough space, equipment, computers, etcto work effectively.  I am encouraged to attend NIH lectures, events, etc  My workload is reasonable and appropriate to my skill level.  I work reasonable hours and have some flexibility in my schedule.  22. How many hours per week do you work, on average?  41-50 hours  51-60 hours |                                                                   | Strongly   |            |            | D:         | Strongly   | Not        |
