SUBJECT: *2021 DSCA Communications and Training Survey, OMB # 0925-0648,
Expiration Date: 05/31/2021*

This is a request for OMB to approve non-substantive changes to 2021 DSCA Communications and Training Survey, submitted under OMB # 0925-0648 and approved on 03/27/2021.

The reason for this change request is to insert answer choices that are more specific or (i.e., not applicable) and to give staff an option to select “none of the above.” The additions do not affect the burden in any way. No additional questions will be added or removed.

Thank you for your consideration.

Jessica Lobo
