

NINDS Publication Survey - 2018

OMB # 0925-0648 - 05/31/2021

Public reporting burden for this collection of information is estimated to average less than 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648*). Do not return the completed form to this address.

The National Institute of Neurological Disorders and Stroke (NINDS) requires that everyone who ordered samples between 2010 and 2016 respond to this survey. The information collected from this survey will be used to better serve the scientific and sample donor communities.
