

OMB #0925-0642, exp. Date 5/31/2020

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0642). Do not return the completed form to this address.

2019 NIH Common Fund Stimulating Peripheral Activity to Relieve Conditions (SPARC) Annual Awardee Meeting Feedback

2019 SPARC-ISAN Joint Meeting Survey

The purpose of this voluntary and confidential survey by the NIH Common Fund is to collect feedback about the 2019 joint meeting for the NIH Common Fund’s Stimulating Peripheral Activity to Relieve Conditions (SPARC) program and the International Society of Autonomic Neuroscience (ISAN). Your feedback will help improve future SPARC Meetings.

It is estimated that this survey will take less than 5 minutes to complete.

If you have any questions about this survey, contact Ms. Kristina Faulk at (301) 402-9185 or kristina.faulk@nih.gov.

OK

1. Overall, how would you rate the 2019 SPARC - ISAN Joint Meeting?

- Excellent
- Very Good
- Good
- Fair
- Poor

2. The 2019 SPARC – ISAN Joint Meeting used a new format with more opportunities for interaction with non-SPARC neuroscientists and fewer closed sessions involving SPARC

consortium members only. Please indicate your opinion of this new meeting format:

- Strongly positive – strongly prefer more opportunities for interaction with non-SPARC neuroscientists in future meetings
- Positive - prefer more opportunities for interaction with non-SPARC neuroscientists, but needs refinement (please specify in “Additional comments” section below)
- Neutral - neither better nor worse than more opportunities for interaction with non-SPARC neuroscientists
- Negative – prefer more closed sessions involving SPARC consortium members only
- Strongly negative – strongly prefer more closed sessions involving SPARC consortium members only in future meetings

Additional comments

3. The 2019 SPARC – ISAN Joint Meeting used a new format, merging the SPARC annual awardee meeting with a neuroscience conference. This led to fewer opportunities for interactions with NIH program staff. Please indicate your opinion of this new meeting format:

- Strongly positive – strongly prefer merging the SPARC annual awardee meeting with a neuroscience conference for future meetings
- Positive - prefer merging the SPARC annual awardee meeting with a neuroscience conference, but needs refinement (please specify in “Additional comments” section below)
- Neutral - neither better nor worse than merging the SPARC annual awardee meeting with a neuroscience conference
- Negative – prefer more opportunities for interactions with NIH program staff
- Strongly negative – strongly prefer more opportunities for interactions with NIH program staff for future meetings

Additional comments

4. Would you attend, or encourage others to attend, future meetings like the 2019 SPARC – ISAN Joint Meeting if attendance was voluntary?

- Yes, definitely Undecided
 Yes, if some changes were made (please specify in “Additional comments” section below) No

Additional comments

5. Indicate your overall satisfaction.

	Very Satisfied	Satisfied	Neutral	Somewhat Dissatisfied	Very Dissatisfied	Not Applicable
Quality of Speaker presentations	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Quality of Poster sessions	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Quality of Program Business presentations	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Quality of SPARC Technology Showcase	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Quality of DRC Hands-On Experience	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Providing a forum for exchange of information with other meeting participants	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

6. Any additional comments regarding the SPARC – ISAN Joint Meeting are welcome.
