### Biospecimen Availability Disclaimer

The biospecimen catalog provided in DASH is based on biospecimen availability at the time of request. NICHD DASH cannot guarantee the type, quality, or amount of biospecimens available in the NICHD Contracted Biorepository. Biospecimens will be available on a first come first served basis. Biospecimens will be shipped to the Requester based on terms and requirements stated in the NICHD

## BIOSPECIMEN AMOUNTS BEING REQUESTED\*

Select minimum amount for each biospecimen you are requesting. You may also auto-populate all the fields by selecting minimum amount at the top of the section and clicking on "Apply." If you auto-populate all of the fields this way, you may still change amounts for individual biospecimens.

## Generate Package

All of the documentation required for your biospecimen request will be automatically generated when you click on "Confirm and Generate Package." Please review your entries and make any necessary changes before you click on "Confirm and Generate Package."

You will receive the Biospecimen Request Package by email – please review all documents before you obtain the necessary signatures. The Requester is responsible for coordinating with all parties involved to collect the required signatures to complete the biospecimen request.

If you need to edit your biospecimen request after your Biospecimen Request Package has been generated, you must make these changes in the DASH System; you must not edit the content of the system generated Biospecimen Request Form or Material Transfer Agreement documents provided to you via email. If you need to edit any fields after receiving the Biospecimen Request Package, you must log back into the system, go to "My Cart," click on the "Edit Request" button of the particular request, make your edits, and then re-generate your request package again.

The following documents will be included in the package:

- Biospecimen Request Form
- Material Transfer Agreement

Note that if you indicated your funding is not yet available, you will receive a Letter of Availability for the requested biospecimen within 24 hours. This letter will be signed by the DASH Administrator so that you may apply for funding.

The Biospecimen Request Form, Material Transfer Agreement, and Letter of Availability can be provided in a format that is easier for individuals with disabilities to access (508 Compliant). If you or your team need these documents to be made 508 Compliant for you to complete your biospecimen request, please email [SupportDASH@mail.nih.gov](mailto:SupportDASH@mail.nih.gov).
