Minor Revisions to the Collection Instruments

SSA is making the following revisions:

- **Change #1:** We are revising the PRA statement on this form.

Justification #1: We are revising the PRA statement to reflect our current boilerplate language. The current language, which dates back to the last reprint of the form, is now outdated.

- **Change #2:** We are revising the Privacy Act Statement on this form.

Justification #2: SSA's Office of the General Counsel is conducting a systematic review of SSA's Privacy Act Statements on agency forms. As a result, SSA is updating the Privacy Act Statement on this form.

- **Change #3:** We are removing the signature block on this form.

Justification #3: SSA reevaluated the need for a wet signature on this form and determined that we do not need one. Therefore, we are removing the signature block from the form.
