

Imported Block 1 - Sep 25, 2020

The U.S. State Department's Bureau of Educational and Cultural Affairs (ECA) would like to ask you a few questions about your experiences in the Intern/Trainee program. The goal is to better understand both successes and challenges of this program.

Please complete this survey by November 30. The survey has 20-25 questions and should take less than 30 minutes to complete.

Your responses will be anonymous and aggregated with other responses for the reporting purposes. The results of this survey are for internal ECA use only, and will not be shared publicly.

The only instances when your name may be used are for the purpose of follow-up on specific problems identified in this survey. The Department of State works with Intern/Trainee exchange visitors when they have serious concerns about their placement and their sponsor is unwilling or unable to assist them. In these cases, a member of our team may contact you for additional details and possible follow-up.

Your participation in this survey is voluntary, and you are free to choose not to answer any question. Your completion of the survey will not affect your eligibility for future Intern/Trainee or other ECA programs.

Contact the ECA Evaluation team (ecaevaluation@state.gov) for technical support with the survey system or inquiries about specific questions.

By clicking "Yes" you confirm that you have read the above consent information and agree to voluntarily participate in this survey.
