Thank you for your participation in the Department of the Treasury's Emergency Rental Assistance Program. The template details information that all ERA grantees receiving a direct payment from Treasury are required to submit for the new **Q1 2021 Interim Quarterly Report**, covering activity from **January 1, 2021 – March 31, 2021**, and Monthly Reports, covering activity from April 1, 2021 – April 30, 2021 and May 1, 2021 – May 31, 2021. These templates should only be used in connection with ERA funding made available under the first round of funding provided under the Consolidated Appropriations Act, 2021, Pub. L. No. 116-260 (the "Act").

The **Q1 Interim Quarterly Report** covers fourteen data elements. For each element, grantees paid directly by Treasury are required to report on their aggregate data over the previous quarter. For data elements #2 and #9, **grantees are also required to provide aggregated totals for all zip codes within their coverage area in which there is data to report.**

Grantees have until **Friday, May 7, 2021** to submit their Q1 Interim Quarterly Reports to Treasury. Reports must be submitted at the following link [\[LINK\]](#).

The Monthly Reports cover only two of the data elements from the interim quarterly report, #2 and #9. Using the above link, grantees have until May 14, 2021 to submit their monthly report covering activity from April 1, 2021 – April 30, 2021 and until June 15, 2021 to submit their monthly report covering activity from May 1, 2021 – May 31, 2021.

Treasury will be supplementing these instructions in the coming weeks with other data elements required by section 501(g) of the Act and section 15011 of the CARES Act, Pub. L. No. 116-136, as amended by Division O, Title VIII, Section 801(b) of the Consolidated Appropriations Act, 2021, Pub. L. No. 116-260, on December 27, 2020.

As a reminder, the Department of the Treasury (Treasury) Office of Inspector General (OIG) is responsible for monitoring and oversight of the receipt, disbursement, and use of Emergency Rental Assistance Program funds. Treasury will use the reported information from grantees to determine grantee compliance with program requirements. Grantees should maintain all documents and financial records sufficient to support the data request and establish compliance with program requirements.
