

U.S. DEPARTMENT OF HOMELAND SECURITY U.S. COAST GUARD	Marine Transportation System Recovery	OMB No. 1625-0127 Exp: 04/30/2021
---	---------------------------------------	--------------------------------------

<b>Who must comply?</b>	Operators of certain commercial vessels and facilities.
<b>What is this collection about?</b>	This information collection voluntarily asks an operator to provide Essential Elements of Information (EEI) about their vessel or facility to the Coast Guard for use in Marine Transportation System (MTS) Recovery planning. Following a port disruption, Facility Status information is needed to determine the best course of action for port recovery.
<b>Where do I find the requirements for this information?</b>	Coast Guard guidance about MTS Recovery Planning and Operations is found in <a href="#">COMDTINST_16000.28B</a> . A MTS Recovery Unit Fact Sheet is at this <a href="#">LINK</a> . For MTS EEI submissions, use form CG-11410. For MTS Facility Status, use form CG-11410A. CG public use forms are at this <a href="#">LINK</a> .
<b>When must information be submitted to the Coast Guard?</b>	The MTS EEI is a one-time submission when a vessel or facility begins operation or changes their operation. The MTS Facility Status report is submitted in a port impacted by a transportation security incident or natural disaster.
<b>How is the information submitted?</b>	All the above information may be submitted in writing or electronically via facsimile or e-mail.
<b>What happens when complete information is received?</b>	This information will be reviewed by CG port safety/security specialists. No specific documentation will be issued by the CG.
<b>For additional information, contact--</b>	For additional information, contact your local CG Sector Office. <ul style="list-style-type: none"> <li>A list of Coast Guard sectors, as part of a comprehensive list of Coast Guard units, can be found at—<a href="https://www.uscg.mil/Units/Organization/">https://www.uscg.mil/Units/Organization/</a>.</li> </ul>

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number.

The Coast Guard estimates that the average burden per response for this report varies per information collection--about 15 minutes per Facility Status report and 30 minutes per EEI report. You may submit any comments concerning the accuracy of this burden estimate or any suggestions for reducing the burden to: Commandant (CG-FAC), U.S. Coast Guard Stop 7318, 2703 Martin Luther King Jr Ave SE, Washington, DC 20593-7318 or Office of Management and Budget, Paperwork Reduction Project (1625-0127), Washington, DC 20503.
