

OMB 2120-0699 AVIATOR Customer Survey

Time to Complete/Para data:

(Test user completed a customer survey in the AVIATOR Test environment)

- Pretended to be a first-time applicant: Read the intro, every question, every answer, and all instructions.
- Took a few seconds with each question and contemplated the available answer; as a new applicant might do, when presented the AVIATOR customer survey for the first time
- Added short sentences, or blocks of words, in each of the comment text areas
- Took a screen shot immediately when the survey was rendered, time initiated on the test user's iPhone and, the test user took another screen shot and stopped the timer upon completing the customer survey
