We are pleased to send you information about VA MATIC, another method of paying your Government Life Insurance premiums. This method of premium payment is easy for you and it guarantees that your premiums will be paid each month, your policy will not lapse and you will save money on both your banking charges as well as postage. We can only deduct one monthly premium per policy.

VA MATIC uses the latest technology in the banking industry (Preauthorized Electronic Funds Transfer) to automatically deduct your monthly premium payment from your account and forward it to our office. Once you sign up for VA Matic, our office will take all the action necessary to take the premium payment out of your checking account each month and your banking statement will reflect your payment.

In order to be eligible for VA MATIC, you will need to check with your bank and find out if they offer this service. If so, you should fill out Section I on the reverse side. Section II should be completed by your financial institution. Once both sections have been completed, the application should be mailed to the Department of Veterans Affairs, Regional Office and Insurance Center, P.O. Box 42954, Philadelphia, PA 19101. While your application is being processed, please continue to make premium payments until you are notified by our office.

Remember, you have the option to cancel this agreement any time you wish. There is no obligation to continue with this premium payment method if you are not satisfied with the service.

If you have any questions about this letter, need help with completing the authorization or have any questions about your insurance, call our toll-free number 1-800-669-8477.
