This ICR expires November 30, 2022. The Office of Loan Guaranty would like to amend VA form 26-1880 to clarify instructions. Changes will not affect the information collected and the number of respondents.

This is a summary of the changes:

- Update website from www.ebenefits.va.gov to www.va.gov.
- Explain what needs to be included on Block 9C.
- Explain what not to include on Block 9D.
- Reword instructions on page 2B.
