Instructions for Completing Station Roster List

The purpose of this form is to provide information about each active volunteer station. effort to provide complete and accurate data. "Active volunteer station" refers to a statiproject has a current Memorandum of Understanding (MOU). It does not necessarily mare currently placed at the station.

For each header item with a small red triangle in the upper right corner of the cell: if you over the cell and wait a few seconds ("hover"), a "pop-up" comment box, with further appear.

Note that the spreadsheet will "scroll" up and down, leaving the column names and statatal times.

Please do not change the location of each data item (e.g., moving cells and columns or removing cells or columns), as this standardized form will be combined with others fro form a uniform database.

The formatting of the document is fixed, except for the ability to change the width of the height of the rows. This may make for easier entry of information, but makes printing tunwieldy.

Please only submit this form as an Excel file. Do not change it to a PDF.

After completion of this list, please submit it as instructed in the Grant Application Inst Please continue to keep your station roster contact information accurate, as you will be and updated list each year.

**Note: Senior Corps will work with vendors of volunteer management software to proformat of this new volunteer station roster. The vendors may incorporate to their softwater transfer of the data directly from your database to this Excel format. Please make every on with which your lean that volunteers
