

FCC Form 500

The below screenshots are examples of where language referencing equipment transfers will be removed from the FCC Form 500 as filed within the E-Rate Productivity Center (EPC).

Respondents will no longer have to notify USAC that they have moved equipment to another location.

Application Number 171003388	Application Nickname BMIC 2017 app
--	--

Type of Change

I want to change the service start date. * [\(More Info\)](#)
Complete if you wish to change the Service Start Date you listed on a previously filed FCC Form 486. This action will NOT increase funding.

YES NO

I want to change the contract expiration date. * [\(More Info\)](#)
Complete if the contract expiration date has changed and you wish to report the change to USAC. This action will NOT increase funding but you could combine it with a funding reduction.

YES NO

I want to request more time to get the services delivered and/or installed. * [\(More Info\)](#)
Complete if you are requesting an extension of the deadline for delivery and installation of non-recurring services or to complete Category One special construction and light the new fiber. For most non-recurring services, you must submit this request to USAC on or before the September 30 following the close of the funding year. For an extension of the deadline to complete Category One special construction and light the associated fiber, you must submit this request to USAC on or before the June 30 of the funding year. This action will NOT increase funding.

YES NO

I want to cancel one or more of the FRNs. *

YES NO

I want to partially reduce the funding in one or more of the FRNs. *

YES NO

I want to notify USAC that I have moved equipment to another location. * [\(More Info\)](#)
Complete this section if you are transferring equipment from a closed entity to other eligible entities within three years of the date of purchase. Both the transferring and receiving entities must maintain detailed records documenting the transfer and the reason for the transfer for at least 10 years (or whatever retention period is required by the rules in effect at the time of this certification).

YES NO

Respondents will no longer be asked to use the FCC Form 500 to notify the Administrator about an equipment transfer. The in the below screens in EPC will be removed.

The screenshots show the 'Actions' tab in the FCC Form 500 interface. The top navigation bar includes 'News', 'Tasks (23)', 'Records', 'Reports', and 'Actions'. The user's name 'Agilan' is visible in the top right corner.

The main content area displays a table of FRNs:

FRN	Equipment ID	Equipment Description	Equipment Type	Category	FRN Number	Service Provider
<input type="checkbox"/>	1699003742	161002744	C1 Library System \$250k to \$500k	Voice	Category 1	240000001 USAC Service Provider Firm 7
<input type="checkbox"/>	1699003743	161002744	C1 Library System \$250k to \$500k	testing wave	Category 1	240000002 USAC Service Provider Firm 8

Below the table, there is a 'Selected FRNs' section with a message: "No FRNs are selected." and a 'REMOVE (0) FRNS' button.

The 'Please provide an explanation of why you have moved equipment to another location.' section contains a text area. A callout box states: "Use this field to explain why you are requesting a transfer of equipment to a new location."

The 'Upload supporting documentation' section includes a table with columns: Document, Description, Uploaded On, and Remove. A message states: "No Supporting Documents have been uploaded." Below this is an 'Upload Document' button.

At the bottom of each screenshot are 'CANCEL', 'BACK', and 'CONTINUE' buttons.
