

Applicants selecting the new “Wireless” option for special construction will enter information into the following screens rather than into the narrative section of the FCC Form 471.

The screenshot shows a web application interface for the FCC Form 471. At the top, there is a navigation bar with tabs for News, Tasks (49), Records, Reports, and Actions. A user profile icon is visible in the top right corner. Below the navigation bar, the page title is "Records / Applicant Entities #17004409 - JJ Independent School - 2019". A secondary navigation bar contains tabs for Summary, Customer Service, Modifications, Additional Information, Discount Rate, Category Two Budget, Contracts, FCC Forms, FRN Appeals, News, and Related Actions. The main content area features a "SAVE DRAFT" button and the heading "FCC Form 471 - Funding Year 2019". Below this, the specific form title is "JJ Independent School - 2019 (BEN: 17004409) - JJ Form 471 - Wireless Fiber FRN - Form # 191000104", with a "Last Saved: 10/1/2018 4:24 PM EDT" timestamp. A progress bar at the bottom of the content area shows five steps: Basic Information, Entity Information, Funding Requests (the current step), Connectivity Information, and Certify. Below the progress bar, the text reads "Next, you will identify whether this Wireless FRN is Microwave or Satellite". The "Fiber Request Key Information" section asks "Is this Microwave or Satellite wireless service?*" and provides two buttons: "MICROWAVE" and "SATELLITE". A "FCC Form 471 Help" section with a "Show Help" link is also present. At the bottom of the form, there are "BACK", "CANCEL", and "CONTINUE" buttons.
