**American Rescue Plan Act of 2021 Section 1005 Loan Payment (ARPA)**  
**OMB control number: 0560-NEW**

The Farm Service Agency (FSA) is requesting **EMERGENCY CLEARANCE** because FSA needs quickly to provide debt relief to socially disadvantaged borrowers who have ARPA-eligible direct Farm Loan Programs and Farm Storage Facility Loan Program loans. ARPA for direct loans will provide immediate financial relief from the COVID related economic crisis to approximately 24,000 socially disadvantaged FSA borrowers, which is essential to the mission of FSA to provide financial assistance quickly as possible. The Notice of Funding Availability (NOFA) that includes the 60-day notice will be published in the Federal Register.

**1. Circumstances that make the collection of information necessary.**

On March 11, 2021, the ARPA was signed into law by President Joseph Biden to implement Section 1005 of the ARPA in order to pay up to 120 percent of ARPA eligible FSA direct and guaranteed Farm Loan Programs and Farm Storage Facility Loan Program loan balances as of January 1, 2021, to FSA borrowers who belong to socially disadvantaged groups as defined in section 2501(a) of the Food, Agriculture Conservation, and Trade Act of 1990 (7 U.S.C. 2279(a)). Section 1005 of ARPA applies only to the borrowers who identify as American Indian, Alaskan Native, Asian, Black, African American, Native Hawaiian, or Pacific Islander by race and/or Hispanic or Latino by ethnicity as noted in the record. This program will be implemented through a Notice of Funding Availability to be published in the Federal Register.

This program will provide immediate financial relief from the COVID related economic crisis to approximately 24,000 FSA borrowers who are eligible. FSA will provide FSA-2601, Notification of FSA's Decision-ARPA that includes the information to borrowers to accept, discuss with FSA before making a decision, or decline the financial assistance.

**2. How, by whom, and for what purpose is information used.**

ARPA will be calculated by FSA for 120 percent of the outstanding balance owing on ARPA eligible loans as of January 1, 2021, for ARPA eligible recipients. Borrowers identified on FSA records as eligible recipients with ARPA eligible loans will be sent FSA-2601 explaining:

- that they are eligible for ARPA;
- FSA's calculation of their ARPA; and
- remaining balances on loans which are not ARPA eligible (if any).

FSA-2601 will provide borrowers with 60 days to return FSA-2601 to:

- accept the payment calculations and request payment:
  - self-certify racial and/or ethnic eligibility
  - acknowledge that ARPA is subject to public disclosure
  - acknowledge probable tax liability

- assign payment to FSA for the amount of the ARPA eligible debt as of January 1, 2021. The balance will be sent to the borrower.
- schedule a meeting to discuss with FSA before making a decision; or
- decline ARPA.

All liable parties must sign the document accepting FSA's ARPA calculations and requesting payment/assignment or declining ARPA.

Direct loan ARPA will be issued to pay off all FSA ARPA eligible loans with the remainder issued directly to the entity borrower, sole proprietorship or estate to assist with income tax expenses. All ARPA will be reported to the Internal Revenue Service (IRS) as income using form IRS-1099 G.
