INSTRUCTIONS

APPLICATION FOR IFQ/CDQ HIRED MASTER PERMIT

Individual Fishing Quota (IFQ) permit holders must use this application to obtain hired master permits in the IFQ Program and by CDQ permit holders in the Western Alaska Community Development Quota Program.

A separate application must be completed for each vessel, each IFQ permit number, and each CDQ permit number.

For the complete text of the regulations on this subject, see 50 CFR 679.4(d) and 50 CFR 679.42 available at www.ecfr.gov

An IFQ hired master permit authorizes the individual identified on the IFQ hired master permit to land IFQ halibut or IFQ sablefish for debit against the specified IFQ permit until the IFQ hired master permit expires, is revoked, suspended, surrendered in accordance with 50 CFR 679.4(a)(9), modified under 15 CFR part 904, or cancelled on request of the IFQ permit holder.

VESSEL OWNERSHIP REQUIREMENTS

- ◆ **An IFQ permit holder who is not an individual** (e.g., a corporation, partnership, association, or other non-individual entity)
 - (1) must designate a hired master to fish their IFQ or to obtain a permit to access their account and
 - (2) must own a minimum of 20 percent ownership interest in the vessel that the hired master will use to fish their IFQ.

- ◆ **An IFQ permit holder who is an individual**
may designate a master to harvest catcher vessel quota share (QS) (QS in Category B, C or D) if the IFQ permit holder:
 - (1) was an initial recipient of QS, and
 - (2) meets the vessel ownership requirements, EXCEPT an IFQ permit holder may not designate a master to harvest
 - halibut IFQ in IPHC Regulatory Area 2C, or
 - sablefish IFQ in southeast Alaska
 - (3) for the 12 months prior to filing the application to hire a master, the individual IFQ permit holder
 - must own (either directly or indirectly) at least 20 percent of the vessel which the hired master will use to fish the IFQ belonging to the IFQ permit holder, or
 - must meet the requirements for an exemption from the 12-month vessel ownership requirement due to total vessel loss, irreparable vessel damage, or temporary vessel disablement.

An IFQ permit holder owns a vessel *directly* by owning the vessel in the name of the IFQ permit holder. An IFQ permit holder owns a vessel *indirectly* by owning an interest in the corporation, partnership, association or other entity that owns the vessel.

The IFQ permit holder annually must submit proof of ownership (USCG Form 2692, Report of Marine Accident, Injury or Death) to NMFS for a vessel that the hired master will use to fish the IFQ.

- ◆ **For a documented vessel, an IFQ permit holder who is not an individual** (e.g., corporation, partnership, association, or other non-individual entity) is listed as a vessel owner on the United States Coast Guard (USCG) Abstract of Title for the vessel. If the USCG Abstract of Title does not show that the IFQ permit holder owns a minimum 20-percent of the vessel, the IFQ permit holder *must submit additional written documentation*.

- ◆ **For a documented vessel, an IFQ permit holder who is an individual** is listed as a vessel owner on the USCG Abstract of Title for the vessel. If the USCG Abstract of Title does not show that the individual IFQ permit holder owns a minimum 20-percent of the vessel for the 12 months prior to this application, the individual IFQ permit holder *must submit additional written documentation*.
- ◆ **For an undocumented vessel, an IFQ permit holder who is not an individual** (corporation, partnership, association or other non-individual entity) is listed as a vessel owner on the ADF&G license or registration for the vessel. If the ADF&G vessel license or registration does not show that the IFQ permit holder owns a minimum 20-percent of the vessel, the IFQ permit holder must *submit additional written documentation*.
- ◆ **For an undocumented vessel, an IFQ permit holder who is an individual** is listed as a vessel owner on the ADF&G license or registration for the vessel. If the ADF&G vessel license or registration does not show that the individual IFQ permit holder owns a minimum 20-percent of the vessel for the 12 months prior to the application, the individual IFQ permit holder must *submit additional written documentation*.
- ◆ **Indirect ownership of vessel:** If the IFQ permit holder is not listed as an owner of the vessel on the USCG Abstract of Title or the ADF&G vessel license or registration, the IFQ permit holder must submit documentation establishing indirect ownership of the vessel. Such documentation may be corporate annual reports, corporate meeting minutes, stock certificates, other corporate, partnership, or association documents, the vessel purchase and sales agreement, etc.
- ◆ **Not required to send proof of vessel ownership.** Category "A" (freezer vessel) IFQ permit holders are not required to send proof of vessel ownership but must provide the vessel information requested in ***Block C***.
- ◆ **Not required to send proof of vessel ownership.** CDQ permit holders are not required to provide the vessel information requested in ***Block C***.

EXEMPTIONS FROM THE 12-MONTH VESSEL OWNERSHIP REQUIREMENT

Total loss of a vessel or irreparable damage to a vessel

An individual IFQ permit holder, who is seeking to use a hired master on his or her vessel, may receive an exemption from the *12-month vessel ownership requirement*. **However, the IFQ permit holder still must own a minimum 20-percent ownership interest in that vessel. This exemption is not available to permit holders that are corporations, partnerships, or other non-individual entities.**

Causes of loss or damage: An act of God; an act of war; a collision; an act or omission of a party other than the IFQ permit holder or representative of the IFQ permit holder; or any other event not caused by the willful misconduct of the individual IFQ permit holder or representative of the IFQ permit holder.

Halibut or sablefish IFQ harvest: Prior to loss or damage, the vessel was used to harvest halibut or sablefish IFQ of the IFQ permit holder.

Attach copy of USCG Form 2692, Report of Marine Accident, Injury or Death, submitted to the USCG concerning this incident.

20-percent ownership interest. The IFQ permit holder is applying for a hired master permit to harvest IFQ from a vessel in which the IFQ permit holder owns a minimum 20-percent ownership interest as of the date of this application.

Vessel is temporarily disabled and unavailable for at least 60 days

Causes of temporary disablement: Result from repairs required by an accident that materially and adversely affected the vessel's seaworthiness or fitness for service. The repairs from the accident require at least 60 days to be completed.

Halibut or sablefish IFQ harvests: Prior to temporary disablement, the vessel was used to harvest halibut or sablefish IFQ of the IFQ permit holder.

Attach copy of USCG Form 2692, Report of Marine Accident, Injury or Death, submitted to the USCG concerning this incident.

20-percent ownership interest. The IFQ permit holder is applying for a hired master permit to harvest IFQ from his or her vessel in which he or she owns a minimum 20-percent ownership interest as of the date of this application.

ADDITIONAL INFORMATION

Before completing this form please note the following: 1) Notwithstanding any other provision of law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number; 2) This information is mandatory and is required to manage commercial fishing efforts under 50 CFR part 679 and under section 402(a) of the Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. 1801, *et seq.*); 3) Some information collected on this application form is made available to the public on the NMFS, Alaska Region, webpage (www.alaskafisheries.noaa.gov). Other information is confidential under section 402(b) of the Magnuson-Stevens Act and NOAA Administrative Order 216-100, which sets forth procedures to protect confidentiality of fishery statistics.

PRIVACY ACT STATEMENT

AUTHORITY: The collection of this information is authorized by the Magnuson-Stevens Fishery Conservation and Management Act, 16 U.S.C. 1801 *et seq.*

PURPOSE: NMFS uses the information provided on this application to determine the eligibility of the IFQ permit holder to use a hired master and to issue the hired master permit if approved. A hired master permit is required for harvest of IFQ halibut, IFQ sablefish, or CDQ halibut on behalf of an IFQ or CDQ permit holder.

ROUTINE USES: Disclosure of this information is subject to the published routine uses identified in the Privacy Act System of Records Notice COMMERCE/NOAA-19, Permits and Registrations for the United States Federally Regulated Fisheries. NMFS may post some information from this form on its public website (www.alaskafisheries.noaa.gov). In addition, NMFS may share information submitted on this application form with other State and Federal agencies or fishery management commissions, including staff of the North Pacific Fishery Management Council and Pacific States Marine Fisheries Commission.

DISCLOSURE: Providing this information is voluntary; however, the failure to provide complete and accurate information will prevent NMFS from issuing the requested hired master permit.
