Section X. Signatures**Certification and Signature**

I, _____ (Executive Director)*, certify that this sponsoring free clinic meets the definition of a free clinic found in Section III of the HRSA/BPHC [Free Clinics FTCA Program Policy Guide](#) and that the information in this application and the related attachments is complete and accurate.

***The application must be signed by the Executive Director, as indicated Section I. Contact Information.**

Public Burden Statement: Congress enacted FTCA medical malpractice protection for volunteer Free Clinic health professionals through Section 194 of HIPAA of 1996 (Public Law 104-191) by amending Section 224 of the Public Health Service (PHS) Act (42 U.S.C. 233). However, Congress appropriated funds for the Free Clinic FTCA Program for the first time in late January 2004. In 2010, the Patient Protection and Affordable Care Act (Affordable Care Act) (Public Law 111-148) expanded eligible individuals to include employees, officers, board members, and contractors, in addition to volunteers. The application submissions provide BPHC with the information required to determine whether an individual meets the requirements for deemed PHS employment for purposes of providing liability protections under section 224(q) of the PHS Act. The OMB control number for this information collection is 0915-0293 and it is valid through 1/31/2024. This information collection is required to verify that the free clinic meets the criteria to sponsor a deeming application and that the individual being sponsored is eligible to be deemed as a PHS employee with associated FTCA coverage for their activities within the scope of deemed employment on behalf of the health center. Public reporting burden for this collection of information is estimated to average 2 hours per response, including the time for reviewing instructions, searching existing data sources, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to HRSA Reports Clearance Officer, 5600 Fishers Lane, Room 14N136B, Rockville, Maryland, 20857
