Adults Needed for One-Hour Interview (Receive \$40)

Westat, a social science research organization (www.westat.com) is recruiting men and women, age 18 and older, to participate in a study about physical injuries, harassing behavior, and unwanted sexual experiences. The study is being conducted for the Centers for Disease Control and Prevention (CDC). Individuals will participate in one confidential interview that will last 60 minutes, and will be paid \$40 for the interview. Interviews will take place in April [at (LOCATION)/by telephone].

In the interview, participants will be asked to give their reactions to some survey questions. All information you give us will be treated as confidential. No information about you will be shared with others, and you will not be put on a marketing/ mailing list.

If you are interested in participating, please answer the questions in this short online survey by following this link:
