ALS Case Validation Questions (screenshots)

The screenshot displays the ATSDR Agency for Toxic Substances & Disease Registry website. The main heading is "National Amyotrophic Lateral Sclerosis (ALS) Registry". A navigation menu on the left lists various resources like "Registry Resources", "Research Notification", and "Bioregistry". The main content area features a "Join the Registry | Login" button and a "Persons with ALS (PALS) Registration" section. This section contains a validation question: "Did a health professional ever tell you that you might have ALS or Lou Gehrig's disease?" with radio buttons for "Yes" and "No", and "Next" and "Cancel" buttons. A "Form Approved" box shows OMB No. 0923-0041. A footer section includes contact information for the Agency for Toxic Substances and Disease Registry, a "USA.gov" logo, and a "Government Made Easy" slogan.
