

**Addendum to the Supporting Statement for Form SSA-521
Request for Withdrawal of Application
20 CFR 404.640
OMB No. 0960-0015**

Minor Revisions to the Collection Instrument

SSA is making the following revisions:

- **Change #1:** We are revising the language at the bottom of the “Give reason for withdrawal” section:
 - **Old Language:** “Continued on reverse”
 - **New Language:** “See additional remarks”

Justification #1: We are making this language change for clarification purposes.

- **Change #2:** We are adding the following perjury statement above where the claimant signs:

I declare under penalty of perjury that I have examined all the information on this form, and on any accompanying statements or forms, and it is true and correct to the best of my knowledge. I understand that anyone who knowingly gives a false statement about a material fact in this information, or causes someone else to do so, commits a crime and may be subject to a fine or imprisonment.

Justification #2: We added the language above for consistency with language used on our applications for benefits.

- **Change #3:** We are revising the language in the “For Use of Social Security Administration” section at the bottom of the form:
 - **Old Language:** “Claims Authorizer”
 - **New Language:** “Claims Specialist”

Justification #3: We revised the wording because the agency changed the job title.

- **Change #4:** We are revising the Privacy Act Statement on this form.

Justification #4: SSA’s Office of the General Counsel is conducting a systematic review of SSA’s Privacy Act Statements on agency forms. As a result, SSA is updating the Privacy Act Statement on the form.

- **Change #5:** We are revising the PRA statement on this form.

Justification #5: We are revising the PRA statement to reflect our current boilerplate language. The current language, which dates back to the last reprint of the form, is now outdated.
