

DOHVE TA Satisfaction Survey

DOHVE would like feedback from MIECHV awardee staff on their satisfaction with technical assistance (TA) provided by DOHVE. Your responses will help us improve our TA provisions to best meet awardee needs. While you may have worked with several TA providers, please limit responses to TA provided by DOHVE and not by federal staff or other TA providers. In answering these questions, remember that DOHVE provides TA around evaluation. This survey should take approximately 10 minutes to complete. Your participation is voluntary and your responses will be kept private.
