

CFSR PIP Pilot: Onsite Feedback Survey

THE PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The control number for this project is 0970-0401. The control number expires on 5/31/2021.

The Capacity Building Collaborative is conducting an evaluation of the Round 3 Child and Family Services Review (CFSR) Program Improvement Plan (PIP) Pilots. Please provide feedback about your experience with the onsite meeting. This feedback will be used to inform future onsite meetings and other PIP process improvements. All information you provide is voluntary and anonymous. The survey should take about 10 minutes to complete. If you have any questions, please contact Christine Leicht, Capacity Building Center for States Evaluation Lead at Christine.Lleicht@icf.com.

1. Which of the following best describes your agency role? (Select One)

Please rate your agreement with the following statements.

	Strongly Disagree	Disagree	Neither Agree nor Disagree	Agree	Strongly Agree
2. I think that the onsite work will contribute to the development of a high quality PIP.					
3. The roles and responsibilities for participants in the onsite work were clear.					
4. Before going into the onsite meeting I understood what was expected of me.					

5. There was good representation of key stakeholders from <u>inside</u> the state agency during the onsite meeting.					
6. There was good representation of key stakeholders from <u>outside</u> the state agency during the onsite meeting.					
7. The onsite meeting felt well planned.					
8. I felt well prepared to participate in the onsite meeting. What made you feel prepared/unprepared?					
9. The onsite meeting was effectively facilitated.					
10. Conversations during the onsite work felt honest and open.					
11. Conversations during the onsite work felt constructive.					
12. I had an opportunity to make meaningful contributions to the onsite work.					
13. I felt that participants in the onsite meeting were committed to working together.					
14. The data and analyses used during the onsite meeting helped me to understand the reasons for the state's performance.					
15. We identified the key underlying issues/root causes for the state's performance during the onsite meeting.					
16. A credible theory of change was developed during the onsite meeting.					
17. A useful logic model was developed during the onsite meeting.					
18. The strategies chosen during the onsite meeting will directly address the underlying issues/root causes for the state's performance.					
19. The state can realistically expect to be able to implement the strategies identified during the onsite meeting.					

20. The technical assistance provided during the onsite meeting was helpful.					
21. Conversations during the onsite meeting were productive because of the pre-onsite work.					
22. Decisions reached during the onsite meeting were supported by the all participants.					
23. At the end of the onsite meeting, it was clear what the next steps were for the PIP.					

24. As a result of what we accomplished during the onsite meeting, I believe that the State's PIP will be ready and in final form for submission to the Children's Bureau... (Select One)

- a. Within 2 weeks of the onsite
- b. Within 30 days of the onsite
- c. Within 60 days of the onsite
- d. Within 90 days of the onsite
- e. Longer than 90 days
- f. I don't know

25. What could have been improved about the onsite meeting?

26. What suggestions do you have for the PIP work that follows this meeting?
