Use of Data: Thank you for providing feedback about the effectiveness of the MIECHV annual grantee meeting (AGM). This form should take less than 6 minutes to complete. Your feedback provides valuable information to Technical Assistance (TA) centers, the Administration for Children and Families (ACF), and meeting planning committees. We analyze and review the results with rigor and incorporate your suggestions to continuously improve the meeting content and logistics. For example, because of your feedback we now select more interactive sessions and activities that provide more opportunities for deeper discussion with other grantees/awardees. Or, we now incorporate longer, more intensive working sessions that better meet adult learning styles and provide opportunities for applying knowledge and acquiring practical tools and resources.
