Public Burden Statement: An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Public reporting burden for this collection of information is estimated to average 6 minutes per response, including the time for reviewing instructions, searching existing data sources, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Anne Bergan, Office of Child Care Administration for Children and Families, HHS, Mary E. Switzer Building 330 C Street, SW, Suite 3014F, Washington, DC 2020.

Use of Data: Thank you for providing feedback about the effectiveness of the Tribal MIECHV regional meeting. This form should take less than 6 minutes to complete. Your feedback provides valuable information to Technical Assistance (TA) centers, ACF, and meeting planning committees. We analyze and review the results with rigor and incorporate your suggestions to continuously improve the meeting content and logistics. For example, because of your feedback we now select more interactive sessions and activities that provide more opportunities for deeper discussion with other grantees/awardees. Or, we now incorporate longer, more intensive working sessions that better meet adult learning styles and provide opportunities for applying knowledge and acquiring practical tools and resources.
