**TITLE OF INFORMATION COLLECTION:** Child Welfare Capacity Building Collaborative Customer Feedback for Webinars and Events

**PURPOSE:** This is a request for approval by the Office of Management and Budget (OMB), under the Federal Paperwork Reduction Act of 1995, for a new data collection task to be added to the Administration for Children and Families’ already approved generic OMB clearance # 0970-0401. The proposed information collection activity is intended to allow for customer input to shape future content of webinars and events held by the Children’s Bureau’s Capacity Building Collaborative. The Capacity Building Collaborative includes three centers (Center for States, Center for Tribes, Center for Courts) funded by the Children’s Bureau to provide national child welfare expertise and evidence-informed training and technical assistance services for State, Tribal and Territorial public child welfare agencies and courts. The following information is being collected as part of the Adoption Call to Action initiative, which is a national effort to support the work of jurisdictions to find permanent families for waiting children and youth. The information received will allow Collaborative staff to assess the needs and specific challenges of customers so that technical assistance can be effectively targeted to meet those needs.

**DESCRIPTION OF RESPONDENTS:** Participants will include child welfare agency and judicial staff who attend the webinars and events held by the three Capacity Building Collaborative Centers. The participants will be able to provide information about the specific challenges they face in improving in a particular outcome area, which will enable the Collaborative to target its assistance.
