Hurricane Response and Recovery Grantee Survey

The National Center on Program Management (PMFO) recognizes that Office of Head Start (OHS) grantees in Puerto Rico, the Virgin Islands, and other affected areas have faced unique challenges in maintaining regular operations given the impact of the 2017 hurricane season and other natural disasters. PMFO is committed to learning about the hurricane recovery experiences of grantees with the goal of improving future assistance.

Please share your feedback with us by completing this brief survey. This survey is voluntary, and all feedback will be kept private. To further protect your privacy please refrain from including personally identifiable information in open-ended responses.

When finished, click the "submit" button at the bottom of the final page to record your responses. You are free to move throughout the survey and change responses until you click "submit".

PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) STATEMENT OF PUBLIC BURDEN: Through this information collection, we are gathering feedback to improve service delivery. Public reporting burden for this collection of information is estimated to average 10 minutes per respondent, including the time for reviewing instructions,

gathering and maintaining the data needed, and reviewing the collection of information. This is a voluntary collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995, unless it displays a currently valid OMB control number.
