TITLE OF INFORMATION COLLECTION:

Virtual meeting for soliciting feedback on recruitment and engagement strategies

PURPOSE:

We will host two virtual meetings to solicit feedback on recruitment and engagement strategies for youth at-risk of homelessness who are or have been involved with the child welfare system. The feedback collected will help inform decisions in the summative evaluation being designed and conducted as part of a larger effort known as “Building Capacity to Evaluate Interventions for Youth/Young Adults with Child Welfare Involvement at Risk of Homelessness: Phase III (YARH-3).”

Each meeting will include members from one of two existing stakeholder groups – the National Partners Stakeholder Group or the Provider Stakeholder Group – who will provide feedback to the YARH-3 team at various points during the design, implementation, and reporting of the summative evaluation. Each meeting is focused on slightly different questions based on their experiences and expertise (see questions and mode in the attachment).

DESCRIPTION OF RESPONDENTS:

The National Partner Stakeholder group includes individuals from organizations that serve the target population – such as Jim Casey Youth Opportunities Initiative, Corporation for Supportive Housing. The Provider Stakeholder group includes individuals from organizations with experience providing direct services to the target population – such as Westchester Building Futures or All Chicago Making Homelessness History.
