Theory of Change

- Using the template from July's meeting, provide a brief theory of change for your evaluation project or area of interest.
 - I observe that...*[there is a specific problem]*
 - I think it's because...*[of this reason]*
 - So I plan to...*[implement some intervention]*
 - Which I think will result in...*[a desired outcome]*

YOUR PROGRESS AND REFLECTIONS

- Since July's meeting, has anything changed about your evaluation project or interests?
- If relevant, please include the following:
 - Target population
 - Data sources
 - Analysis methods
 - Outcomes

CURRENT CHALLENGES

(This should be something you would like to address during the remainder of the Academy with feedback from other attendees and experts. You may wish to focus on a topic that will be covered in the October portion of the syllabus.)
