The described collection of information is voluntary and will be used to engage attendees and improve the quality of future OPRE methods meetings. Public reporting burden for the described collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB number and expiration date for the described collection are OMB #: 0970-0401, Exp: 05/31/2021. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to Rachel Holzwart; OPREmeeting@insightpolicyresearch.com.
