Florida Prototype Project Survey

The Capacity Building Collaborative is conducting an evaluation of the Florida Prototype Project (FLPP). Please provide feedback about your experiences across all aspects of the project. This feedback will be used to inform Collaborative services. All information you provide is voluntary and anonymous. The survey should take about 10 minutes to complete. If you have any questions, please contact Sherri Levesque, Capacity Building Center for States Knowledge Management Lead at Sherri.Levesque@icf.com.

1. Which of the following best describes your agency role? (Select One)

2. Please indicate your participation in any of the following planning teams for the project? (Select all that apply)
   a. Core Team
   b. Data Squad
   c. I did not participate in either of these planning teams

Please rate your agreement with the following statements.

	Strongly Disagree	Disagree	Somewhat Disagree	Somewhat Agree	Agree	Strongly Agree

	Strongly Disagree	Disagree	Somewhat Disagree	Somewhat Agree	Agree	Strongly Agree
3. Overall, the right people (roles and responsibilities represented) were involved in project activities.						
4. Representation of key stakeholders from the child welfare agencies (Florida DCF or CBC lead agencies) was sufficient for the project activities and goals of the project.						
5. Representation of key stakeholders from the child welfare partners (e.g., legal/court, family/youth) was sufficient for the project activities and goals of the project.						

6. Did you have concerns about representation in this project and if so, what suggestions do you have for ensuring the "right people" are involved in future activities?

_____

Please rate your agreement with the following statements

	Strongly Disagree	Disagree	Somewhat Disagree	Somewhat Agree	Agree	Strongly Agree
7. I understood my role and what was expected of me for the project activities.						
8. I was able to successfully participate in the project activities.						
9. The first two large group meetings on September 9th and 15th helped me to understand my role and expectations for my participation in the project.						
10. The first two large group meetings on September 9th and 15th) provided enough information so that I could fully participate in other project activities (e.g., root cause analysis).						

11. What suggestions do you have to ensure that participants are fully prepared for project activities?

_____

Please rate your agreement with the following statements

	Strongly Disagree	Disagree	Somewhat Disagree	Somewhat Agree	Agree	Strongly Agree
12. Meetings were structured and facilitated in a way that promoted engagement and collaboration among stakeholders in the virtual environment.						

	Strongly Disagree	Disagree	Somewhat Disagree	Somewhat Agree	Agree	Strongly Agree
13. Meetings were structured and facilitated in a way that promoted co-development of project deliverables (e.g., vision statement, theory of change, selection of interventions).						

14. What suggestions can you provide to ensure virtual meetings are effective?

_____

Please rate your agreement with the following statements

	Strongly Disagree	Disagree	Somewhat Disagree	Somewhat Agree	Agree	Strongly Agree
15. I had an opportunity to make meaningful contributions during project activities.						
16. I felt like I had a voice in the development of project deliverables (e.g., vision statement, theory of change, selection of interventions).						
17. Conversations during the project activities were constructive.						

18. What suggestions can you offer to ensure that participants are fully engaged with project activities and meaningfully engaged with one another?

_____

Please rate your agreement with the following statements

	Strongly Disagree	Disagree	Somewhat Disagree	Somewhat Agree	Agree	Strongly Agree
19. I feel like the activities related to using data were useful.						

20. What suggestions do you have that would help participants use data?

_____

Please indicate how motivated you are to use these processes for future system improvement efforts in your agency

		Unmotivated	Somewhat Unmotivated	Somewhat Motivated	Motivated	Strongly Motivated

21. Using data to describe problems and analyze root					
22. Creating a theory of change					
23. Selecting relevant strategies					

24. What would motivate you to use some of the processes used during the project such as using data to describe problems and analyze root causes, creating a theory of change and selecting relevant strategies in future system improvement efforts in your agency?

_____
