If you are conducting a focus group, survey, or plan to employ statistical methods, please provide answers to the following questions:

The selection of your targeted respondents

- Do you have a customer list or something similar that defines the universe of potential respondents and do you have a sampling plan for selecting from this universe?
 Yes No

If the answer is yes, please provide a description of both below (or attach the sampling plan)? If the answer is no, please provide a description of how you plan to identify your potential group of respondents and how you will select them?

Respondents will be individuals that join communities of practices or workgroups. We anticipate 50 members for each community of practice or workgroup and a 50% survey response rate (N=25 survey respondents for each CoP and workgroup). There is 1 planned community of practice (N=25) and 12 planned workgroups (N=300) that will be assessed once before May 2021 for a total of 325 expected respondents.
