

Tribal Evaluation Institute Technical Assistance Satisfaction Survey

Thank you for taking the time to complete this survey! We are interested in understanding how grantees perceive the technical assistance (TA) provided by the Tribal Evaluation Institute (TEI) team. **One person** should complete the survey for the team, relaying the team's experience with TEI. We suggest that this be the team member with the most experience working with TEI.

When answering this survey, please consider your experiences with all members of the TEI team (not just your TEI liaison). Your responses will be kept private.
