TITLE OF INFORMATION COLLECTION: Personal Responsibility Education Program (PREP) Grantee Training and Technical Assistance Feedback

PURPOSE:

The purpose of the planned activity is to collect feedback from grantees to:

- assess their satisfaction with the training and technical assistance that has been provided to date, and
- identify ongoing needs that remain.

The feedback we receive from grantees will provide essential information that is critical for improving future trainings, technical assistance, and other resources and planning the type and topics for upcoming training sessions and materials that we will offer to the grantees. The information collected will help ensure that future T&TA is effective and efficient and new content and resources are appropriately tailored to address the grantees needs and improve overall satisfaction.

This survey provides an expeditious format to capture a range of needs of the diverse organizations who have received PREP funding while minimizing burden to the respondents. The survey will be web-based (developed in Survey Gizmo) and sent to the grantee points of contact for each grantee to respond. The survey includes mostly multiple-choice questions, with a limited number of open-ended options for additional detail. We anticipate the survey will take 25 minutes or less to complete.

DESCRIPTION OF RESPONDENTS: Respondents are State PREP, Competitive PREP, Tribal PREP and PREP Innovative Strategies (PREIS) grantees of the Adolescent Pregnancy Prevention program.
