

Request for Approval under the “Generic Clearance for the Collection of Routine Customer Feedback” (OMB Control Number: 0970-0401)

TITLE OF INFORMATION COLLECTION: nFORM 2.0 Help Desk Customer Service Feedback Surveys

PURPOSE: The Administration for Children and Families (ACF) requests approval to collect customer service feedback on a web-based Help Desk we oversee for questions related to a management information system called nFORM 2.0 (Information, Family Outcomes, Reporting, and Management). The system is used by 112 Healthy Marriage and Responsible Fatherhood (HMRF) grantees funded by ACF to collect and report on required performance measures. A prior cohort of HMRF grantees used an earlier version of the nFORM system and provided feedback on the system’s Help Desk using the survey in this request.

ACF has contracted with Mathematica to manage both the nFORM 2.0 system and the Help Desk. Feedback will help ACF improve nFORM 2.0 Help Desk assistance provided by Mathematica.

DESCRIPTION OF RESPONDENTS: HMRF grantee staff who use the system and submit questions to the nFORM 2.0 Help Desk will be invited to respond to customer service feedback surveys about their Help Desk experiences.

To assist review, please provide answers to the following question:

Personally Identifiable Information:

1. Is personally identifiable information (PII) collected? Yes No
2. If Yes, will any information that is collected be included in records that are subject to the Privacy Act of 1974? Yes No
3. If Yes, has an up-to-date System of Records Notice (SORN) been published? Yes No

BURDEN HOURS

We propose to email customer service feedback surveys once per quarter (every three-month period) to any HMRF grantee staff member who submitted an nFORM Help Desk ticket (i.e. request) during that quarter. The email will contain a link to the web-based survey. We will send one reminder email and then assess the need for a second reminder email to increase response rates. The estimated annual burden hours for grantee staff to complete the survey is presented in the table below.

Category of Respondent	No. of Respondents per survey	No. of Responses per respondent	Participation Time	Burden
Private sector (HMRF grantee staff who submit tickets to the nFORM 2.0 Help Desk)	152	4	5 min	51 hours

FEDERAL COST: The estimated annual cost to the Federal government is \$3,404.

For cost calculations, we take into account the time needed for multiple ACF staff to oversee the distribution of the survey and review customer feedback. We estimate this will take 60 hours per year split equally between federal ACF staff at the GS-12, GS-13, and GS-14 levels.

If you are conducting a focus group, survey, or plan to employ statistical methods, please provide answers to the following questions:

The selection of your targeted respondents

1. Do you have a customer list or something similar that defines the universe of potential respondents and do you have a sampling plan for selecting from this universe?
 Yes No

If the answer is yes, please provide a description of both below (or attach the sampling plan)? If the answer is no, please provide a description of how you plan to identify your potential group of respondents and how you will select them?

We will identify the universe of respondents based on their requests to the nFORM 2.0 Help Desk. The entire universe of respondents will be surveyed; we will not select a sample.

 Web-based or other forms of Social Media
