Dear < name>,

Hello again from the Building Evidence on Employment Strategies for Low-Income Families (BEES) study team. It's time to update your contact information!

In <RA MONTH/YEAR>, you applied to receive employment services through <BEES program>. At that time, you also agreed to participate in a research study.

Researchers at MDRC, Abt Associates, and MEF Associates are conducting the BEES study for the U.S. Department of Health and Human Services, or HHS. HHS would like to learn more about what types of services help you and other people like you find and keep jobs. When you agreed to be in the study, you also agreed to let researchers contact you every few months. The purpose of these contacts is to make sure we have your correct phone number, email, and street address in our secure database.

Your updated contact information helps make sure we are able to interview you and see how your life has changed since you first enrolled in the study. Your experiences are unique and we want to be sure you are represented. **We can't interview you if we can't contact you!** To make sure that your information in our records is correct, please verify your contact information on the next page. You can do this in <u>one</u> of three ways.
