Dear [name],

I am writing to ask you to confirm or update your address information for a research project on the Health Profession Opportunity Grants Program (HPOG) being conducted by [XXX] for the Administration for Children and Families (ACF), U.S. Department of Health and Human Services.

Recently, you applied to receive services through HPOG in your community or region: [name of HPOG program]. At that time, you agreed to participate in research that will help ACF evaluate the HPOG program. Thank you for agreeing to be part of this important study.

When you agreed to be in the study, you gave consent to participate in a follow-up survey for which you will receive \$XX in appreciation for your time. However, if you move during the next few months, we might not be able to reach you. We will contact you every 3-4 months until it is time to participate in the survey in order to update your contact information. We want to make sure that we have your correct email and/or street address so we can contact you next year for the follow-up survey. To make sure that our records are accurate, please verify your contact information by filling out the enclosed form with any updates to your phone number, address, or email and return it in the postage paid envelope. If there are no changes to the information provided, please simply check the box at the top of **the form and return it in the postage paid envelope.** We are enclosing \$2 to thank you for returning the form.

This information will help us greatly when we attempt to contact you and will <u>only</u> be used for that purpose. Your continuing participation in this study is very important and greatly appreciated. Feel free to contact [XXX] if you have any questions about the HPOG study at [XXX-XXX-XXXX]. Thank you for your time.

Sincerely,
