Hello, my name is [] and I work for	Abt Associates,	Inc., or Abt,	an independent
research company. May I ple	ease speak with	?		

The Administration for Children and Families (ACF) in the U.S. Department of Health and Human Services (HHS) is conducting an evaluation of the Health Profession Opportunity Grants (HPOG) Program. Abt is conducting the study for ACF. Right now, researchers at Abt are developing a survey questionnaire for this study. They want to make sure the questions are clear and easy to answer. One of the ways to check this is to try out the questions on a few people who are in the HPOG study—like you. You joined the study in [MONTH AND YEAR OF RAD], when you applied to receive HPOG services.

Our contacts at [PROGRAM NAME] gave us your name as someone who expressed interest in helping us with this task. To help us get in touch with you, our contacts provided us with your name, address and phone number. The survey will include questions on your education activities, some basic questions about your use of computers, and some multiple choice questions on various topics. It will take about 45 minutes to complete. You are not required to participate in this survey. If you do want to help us, please know that you can choose not to answer any question in the interview. [IF RESPONDENT HAS A VALID EMAIL ADDRESS: After you complete the survey, you will receive an email with a unique link within the next four weeks. This email link will allow you to choose a \$25 gift card to one of the selected vendors. IF RESPONDENT DOES NOT HAVE A VALID EMAIL ADDRESS: You should receive a \$25 gift card in the mail within the next four weeks.]

If you choose to participate, any information you provide to us will be kept private. Your name will not be associated with your answers or used in any reports we produce. Once we are done designing our survey and publishing our results your responses will no longer be needed and we will destroy them at that time.
