A campaign to increase vaccine acceptance and reinforce basic prevention measures

## CET – Annotated Questionnaire

*Note: The questions below are the proposed questions for the first iteration of the Weekly Current Events Tracker. Questions highlighted in yellow will be asked every week; questions highlighted in blue will be rotated into the survey on a monthly basis; and questions highlighted in green are meant to be asked in Wave 1 only. Other potential topics that will be included in subsequent Waves include: misperceptions about COVID-19 and the vaccines, reactions to the COVID-19 vaccine rollout, sources of information about the COVID-19 vaccine, exposure to messages about COVID-19 vaccines, the impact of key events and milestones on attitudes toward COVID-19 and the vaccine, and experiences with and reactions to getting a COVID-19 vaccine.*

*ASPA will provide OMB with updates to the questionnaire for subsequent Waves.*
