

ASPA COVID-19 PUBLIC EDUCATION CAMPAIGN

A campaign to increase vaccine acceptance and reinforce basic prevention measures

CET – Annotated Questionnaire (Wave 4)

Note: The questions below are the proposed questions for the fourth wave of the Weekly Current Events Tracker (CET). Questions highlighted in yellow will be asked every week; questions highlighted in blue will be rotated into the survey on a monthly basis; and questions highlighted in green are meant to be asked in Wave 4 only. This week we have added questions that examine concerns about COVID-19 virus variants, and knowledge of and preferences for vaccine candidates.

ASPA will provide OMB with updates to the questionnaire for subsequent Waves.
