

# ASPA COVID-19 PUBLIC EDUCATION CAMPAIGN

A campaign to increase vaccine acceptance and reinforce basic prevention measures

## CET – Annotated Questionnaire (Wave 11)

Note: The questions below are the proposed questions for the eleventh wave of the Weekly Current Events Tracker (CET). Questions highlighted in yellow will be asked every week; questions highlighted in blue will be rotated into the survey on a monthly basis; and questions highlighted in green are meant to be asked in Wave 11 only or are being asked again to update data on a variable of interest. This wave's module is Vaccine Eligibility and Vaccine Concerns. This week we have added questions on Preparing the Nation message testing, post-vaccination behavior, awareness of CDC guidance for vaccinated people, and concerns about variants.

ASPA will provide OMB with updates to the questionnaire for subsequent Waves.
