Change Description

Removed the word "International" from IC title. Has no program significance and creates confusion between domestic/foreign burden reporting.

Removed the word "International" from IC title. Has no program significance and creates confusion between domestic/foreign burden reporting between burden reporting for domestic versus foreign entities.

Removed the word "International" from IC title. Burdens significantly reduced as a result of stakeholder feedback. See SSA Q8 and Q15 for details.

Removed the word "International" from IC title. Burdens significantly reduced as a result of stakeholder feedback. See SSA Q8 and Q15 for details.

Removed the word "International" from IC title. Burdens significantly reduced as a result of stakeholder feedback. See SSA Q8 and Q15 for details.

Removed the word "International" from IC title. Has no program significance and creates confusion between domestic/foreign burden reporting.

Title changed to reflect separation of estimates for Mexico. Burdens reduced by the same amount as added by new "Private Sector-Mexico" reporting. The two.

Added to present burden estimates for MX separately from CAN. Labor costs vary significantly between the two.

Removed the word "International" from IC title. Has no program significance and creates confusion between domestic/foreign burden reporting.

Changed title to "Amendments-NAWCA"; increased burden to reflect consolidation of amendment burdens for all NAWCA subprograms.

Changed title to "Amendments-NAWCA"; increased burden to reflect consolidation of amendment burdens for all NAWCA subprograms.

Changed title to "Amendments-NAWCA"; increased burden to reflect consolidation of amendment burdens for all NAWCA subprograms.

Changed title to "Amendments-NAWCA"; increased burden to reflect consolidation of amendment burdens for all NAWCA subprograms.

Changed title to "Amendments-NAWCA"; increased burden to reflect consolidation of amendment burdens for all NAWCA subprograms. Title changed to reflect separation of estimates for Mexico. Labor vary significantly between the two.

Added to present burden estimates for MX separately from CAN. Labor costs vary significantly between the two.

Changed title to "Amendments-NAWCA"; increased burden to reflect consolidation of amendment burdens for all NAWCA subprograms.

Changed title to "Quarterly Performance Reports-NAWCA"; increased burden to reflect consolidation of quarterly performance reporting subprograms. Burdens further adjusted by applying a standard burden across all Service quarterly reporting ICs of 6 hrs reporting/2 hrs recordkeeping.

Changed title to "Quarterly Performance Reports-NAWCA"; increased burden to reflect consolidation of quarterly performance reporting subprograms. Burdens further adjusted by applying a standard burden across all Service quarterly reporting ICs of 6 hrs reporting/2 hrs recordkeeping.

Change Description

Change title to remove "International" and replace with more accurate "foreign" designation.

Change title to remove "International" and replace with more accurate "foreign" designation. Revised total responses to reflect current program participation data.

Change title to remove "International" and replace with more accurate "foreign" designation. Revised total responses to reflect current program participation data.

Prior submission did not differentiate between US and foreign participants.

Prior submission did not differentiate between US and foreign participants.

Prior submission did not differentiate between US and foreign participants.

Change title to remove "International" and replace with more accurate "foreign" designation. Revised total responses to reflect current data regarding number of recipients required to submit quarterly reporting. Burdens further adjusted by applying a standard burden across all Service quarterly reporting ICs of 6 hrs reporting/2 hrs recordkeeping.
