JOHN Q PUBLIC
1881 WATERFOWL SURVEY DRIVE
LAKEWOOD, CO 80215

Dear JOHN PUBLIC,

Our records indicate that you obtained a Sandhill Crane Hunting Permit this past hunting season. We are now asking you to provide information that we need for sound management of sandhill cranes, by telling us about your crane hunting activity. Your response is important **EVEN IF YOU DID NOT HUNT OR DID NOT SHOOT ANY CRANES.**

We are asking you to tell us about your crane hunting in Colorado during the 2017 hunting season. Please use the attached diary to record the details of your hunt each time you go crane hunting in Colorado. Please read the instructions on the diary form, fill it out **completely**. After the season is over or when you are done hunting in Colorado, send the completed form back to us in the enclosed postage-paid envelope. If you receive this survey too late for you to remember all of the details of your hunts, please fill out the lower portion of the form labeled **"SEASON TOTALS."**

Your response is very important, whether you bag any birds or not. If you don't hunt cranes at all this season, please mark the "Did not hunt" box at the upper right portion of the form and return it to us. If you do hunt cranes, please **ONLY REPORT YOUR OWN PERSONAL HUNTING** activity and harvest. We also ask that you please keep track throughout the season of cranes that you knocked down, but could not retrieve. Record this total number on the lower portion of the form labeled "SEASON TOTALS."

To protect your privacy, we will not associate your name with your hunting records after the survey is completed. If you have any questions or need more information about this survey, please write us at the above address, call us toll-free at 1-800-419-2965 from 7:30am-4:00pm EST, email us at MigratoryBirdHarvestSurveys@fws.gov, or go to <http://www.fws.gov/hip>. You can request additional forms through this website: <http://migbirdapps.fws.gov/hipweb>. Thank you in advance for your time and your participation in this year's National Migratory Bird Harvest Survey.

Sincerely,

James B. Bortner, Chief
Division of Migratory Bird Management
