#### **HISTORY; ANCILLARY LAWS AND DIRECTIVES**

Prior law and revision:

Derivation	U.S. Code	Revised Statutes and Statutes at Large
.....	5 U.S.C. 300 (as applicable to acquisition etc. of identification and other records).	Aug. 31, 1964, Pub. L. 88-527, Sec. 201 (1st 105 words of 1st par. under "Federal Bureau of Investigation", as applicable to acquisition etc. of identification and other records), 78 Stat. 717.
.....	5 U.S.C. 340.	June 11, 1930, ch. 455, 46 Stat. 554.

The sections are combined and reorganized for clarity. Former section 300 of title 5 was from the Department of Justice Appropriation Act, 1965. Similar provisions were contained in each appropriation Act for the Department of Justice running back to 1921, which Acts are identified in a note under former *section 300 of title 5, U.S.C.* 1964 ed.

In subsection (a), the word "shall" is substituted for "has the duty" as a more direct expression. The function of acquiring, collecting, classifying, etc., referred to in former section 340 of title 5 was transferred to the Attorney General by 1950 Reorg., Plan No. 2, § 1, eff. May 24, 1950, 64 Stat. 1261, which is codified in section 509 of this title. Accordingly, the first 29 words and last 30 words of former section 340 are omitted as unnecessary.

In subsection (c), the authority to appoint officials for the cited purposes is implied.

#### Explanatory notes:

The bracketed subsection designator "(f)" has been inserted in order to maintain alphabetical continuity.

#### Amendments:

1982. Act Oct. 12, 1982, substituted the section catchline for one which read: "Acquisition, preservation, and exchange of identification records and information; appointment of officials"; in subsec. (a), in para. (1), deleted "and" following the concluding semicolon, redesignated former para. (2) as para. (4), added paras. (2) and (3), and, in para. (4), as redesignated, substituted "exchange such records and information" for "exchange these records"; and in subsec. (b), inserted "and information", and substituted "(a)(4)" for "(a)(2)".

1988. Act Nov. 18, 1988, added subsec. (d).

1994. Act Sept. 13, 1994, added subsec. (e).

2002. Act Nov. 2, 2002, § 204(c), in subsec. (a)(3), added "and" following the semicolon.

Section 4003(b)(4) of such Act purported to make the same amendment as § 204(c); however, in order to effectuate the probable intent of Congress, this amendment was not executed.

Section 11004 of such Act substituted para. (4) for one which read: "(4) exchange such records and information with, and for the official use of, authorized officials of the Federal Government, the States, cities, and penal and other institutions."

2006. Act Jan. 5, 2006, redesignated subsec. (d) as subsec. (e); and inserted new subsec. (c).

Such Act further, in subsec. [(f)](e)(3), substituted subpara. (B) for one which read: "(B) the term 'protection order' includes an injunction or any other order issued for the purpose of preventing violent or threatening acts or harassment against, or contact or communication with or physical proximity to, another person, including temporary and final orders issued by civil or criminal courts (other than support or child custody orders) whether obtained by filing an independent action or as a pendente lite order in another proceeding so long as any civil order was issued in response to a complaint, petition, or motion filed by or on behalf of a person seeking protection."

"(b) Pursuant to any submission that complies with the requirements of subsection (a), the Attorney General shall search the records of the Criminal Justice Information Services Division of the Federal Bureau of Investigation for any criminal history records corresponding to the fingerprints or other identification information submitted. The Attorney General shall provide any corresponding information resulting from the search to the appropriate State agency or agency designated by the Attorney General to receive such information.

"(h) The Attorney General may promulgate such regulations as are necessary to carry out this section, including regulations regarding the security, confidentiality, accuracy, use, destruction, and dissemination of information, audits and recordkeeping, the imposition of fees, and any necessary modifications to the definitions contained in subsection (i).

"(i) In this section:

"(4) sworn law enforcement officers provide significant services to the citizens of the United States in its public areas, and are supplemented by private security officers;

"(5) the threat of additional terrorist attacks requires cooperation between public and private sectors and demands professional, reliable, and responsible security officers for the protection of people, facilities, and institutions;

"(6) the trend in the Nation toward growth in such security services has accelerated rapidly;

"(7) such growth makes available more public sector law enforcement officers to combat serious and violent crimes, including terrorism;

"(8) the American public deserves the employment of qualified, well-trained private security personnel as an adjunct to sworn law enforcement officers; and

"(9) private security officers and applicants for private security officer positions should be thoroughly screened and trained.

other expenses incurred through providing the services described in such Public Laws and in subparagraph (A);

"(ii) shall be available for expenditure only to pay the costs of such activities and services; and

"(iii) shall remain available until expended.
