### INSTRUCTIONS FOR COMPLETING THE FORM

**Background.** The TAA for Workers program (TAA Program) is authorized under Title II of the Trade Act of 1974, as amended (19 U.S.C. § 2271 et seq.) (the Act). The TAA Program provides workers who have been adversely affected by foreign trade with opportunities to obtain skills, credentials, resources, and support necessary to become reemployed. The TAA Program offers the following benefits and services to eligible workers: employment and case management services, training, out of area job search and relocation allowances, income support through Trade Readjustment Allowances, and the Alternative Trade Adjustment Assistance benefit for workers aged 50 or older who find qualifying reemployment. Filing a petition is the first step in qualifying for TAA Program benefits and services. In response to the filing of a Petition, the Department of Labor (Department) conducts an investigation to determine whether foreign trade contributed importantly to the workers' job separation or threat of job separation. After the investigation, the Department determines worker group eligibility to apply for TAA Program benefits and services. A state workforce agency representative will notify workers in a certified group of the determination, at which time the individual workers may apply for benefits and services at a local American Job Center. For a worker to be eligible for benefits and services, the worker must be part of a worker group that has been certified under a petition filed with the Department. Additional information is available on our website at: <https://www.dol.gov/agencies/eta/tradeact/>.

**Filing Instructions.** A petition for certification of eligibility to apply for adjustment assistance for a group of workers must be filed simultaneously with the Secretary of Labor and with the Governor of the State in which such workers' firm is located. Information provided on the petition form will be used for the purposes of determining worker group eligibility, and providing notice to the general public that the petition has been filed and whether the worker group is eligible to apply for TAA Program benefits and services. A valid petition form, including attachments, is treated as a public document.

Amendments to active existing TAA certifications will be investigated based on the information provided by the petitioner(s) on the TAA petition form. If the petitioners would like the Department to consider whether an amendment to an existing certification is appropriate, the petitioners should include in the petition any information they would like considered and can include a statement that they believe that an amendment would be appropriate. Identifying a petition as an amendment request does not preclude or limit a full investigation of the petition.

**Who May File a Petition?**

- A group of two or more workers from the same firm; a union or other duly authorized representative of such workers; the firm(s) of such workers; American Job Center operators or partners, including State workforce officials, employment security agencies, or dislocated worker unit and rapid response team members.

**How to File a Valid Petition:**

- The following information must be completed for a petition to be considered valid: (1) the name and contact information for each petitioner; (2) the name of the firm employing the group of workers; (3) the address of the location(s) where the group of workers who have been totally or partially separated or threatened with separation report to work (for a remote worker, the address of the location to which they report); (4) the name and contact information of an official within the employer firm or an individual authorized to provide information regarding the operation of the workers' firm; (5) the article produced or service supplied by the workers' firm; (6) the actual or approximate date on which total or partial separations are threatened to occur or did occur; (7) the actual or estimated total number of workers who have been or may be separated; and (8) every petition shall be signed and dated by at least two individuals of the petitioning group, or by an official of a certified or recognized union or other duly authorized representative, or by a representative of one of the organizations listed in the Who May File a Petition section above. Required items are indicated on the Petition Form with an asterisk (\*).

**How to File a Petition with the U.S. Department of Labor:**

There are three methods to file a petition with the Department. Please submit the petition using only one of the methods below; submitting the same petition using multiple methods will not speed the investigation process and may slow the process.

### Before You Start

The system session will terminate after 15 minutes of inactivity. In order to ensure your privacy, the information that you enter on this online Petition Form is not saved. Please make sure you have all the required information available before you begin.

### Required Information

The online petition will not be able to save a partially completed petition. Please use this checklist to make sure you have all the information before beginning the online petition process:

- Petitioner(s) name and contact information, including current address and telephone
- Approximate or actual date of worker separation
- Employer name and contact information, including address and telephone
- Contact information for two current company contacts, including name, title, and telephone

### Helpful Tips for Online Filing

The online petition is an electronically submitted form that is identical to the Petition Forms available [here](#) for download. This electronic form does not replace the paper petition; rather, it provides an alternate, paperless option for the convenience of those who prefer it. Filing electronically will not impact the investigative process or final determination on petition.

Once you begin the online filing process, several screens will appear one in sequence to guide you through the petition. Note that the "back" button has been disabled and you will not be able to return to previous screens until the entire petition is completed. At the completion of the petition, a final edit screen will appear that will allow you to edit any section(s) of the petition that you have completed. Once you have reviewed and corrected all sections of the petition, you will have the option to transmit the petition to OTAA and the relevant State agency.

Throughout the online petition, there will be  next to each section. Clicking or hovering on these tags will open windows that provide additional description of the information that is required.

If you are providing supporting information, the online petition will allow you to attach up to 3 documents. These documents must be in MS Word, MS Excel, or .pdf format and less than 2 MB each in size. For additional attachments, please print and submit the completed petition together with relevant attachments by fax to (202) 693-3585.

If you have any questions, please contact the U.S. Department of Labor in Washington D.C. at 202-693-3560 or 1-888-365-6822.
