Information Collection Request – Justification for Non-Substantive Change

Air Carrier Loan and Payroll Support Programs

OMB No. 1505-0263

April 1, 2021

Treasury requests a non-substantive change of OMB Control No. 1505-0263 in order to add a new instrument: Certifications for Catering Contractors that received PSP1 Funding. Under Section 412 of Division N, Title IV, Subtitle A of the Consolidated Appropriations Act, 2021 (Pub. L. 116-260), airline contractors that are caterers will need certify their expended and unused PSP funds by 4/5, and Treasury will need to recollect any unused portion of these funds in May 2021, and therefore will need to have caterers recertify on 4/30. This portal is for airline contractors that participated in the first Payroll Support Program (PSP1) to verify that they are caterers and, if so, certify their PSP1 funds expended.
