

Foreign Producer Survey

Introduction:

Starting on January 1, 2023, the Alcohol and Tobacco Tax and Trade Bureau (TTB) of the United States Department of the Treasury will be responsible for administering certain tax provisions for imported alcohol. These provisions were formerly assigned to U.S. Customs and Border Protection (CBP). You have received this survey because TTB would like to learn more about the foreign companies that export alcohol to the United States.

Please answer a few questions so we can learn more about you and your needs. This survey should take approximately 9 minutes to complete. Your answers will not be provided to other organizations outside of TTB.

Use the "Previous" and "Next" buttons located at the bottom of the page to navigate the survey. Please do not use the "Back/Forward" buttons on your browser, as you might lose the survey session in your browser. Once you have completed the survey, please remember to hit the "Submit" button on the last page.
